### PyCon Ireland 2016

PyCon Ireland is back! This year the conference will be held on **Sat 5th - Sun 6th November** in the **Radisson Blu Royal Hotel** in Dublin. The format will consist of two tracks of talks along with two tracks of workshops.

### Tickets available for sale [here](#)

Like [Pycon](#) or [DjangoCon](#), we chose to apply a "everybody pays" policy.

Everybody really does mean everybody - attendees, speakers, volunteers, organisers - with one exception: those who can't afford to pay, who can [submit a financial aid](#) application.

This year's event promises to be bigger than ever given the huge numbers we've been seeing at our meetups during the year.

# ERUM Poznan

The banner features a panoramic view of the Poznan skyline at sunset, with various buildings and a church spire visible against a warm orange sky. The foreground shows a dense forest of bare trees.

Our goal is to make R more popular especially among women. Anyone with an interest in R is encouraged to participate. It doesn't matter if you never used R or if you are an R expert. The goal is to promote R, exchange knowledge and create a network among women.

**Come and join us!**

Github: <https://github.com/R-ladies>

Twitter: <https://twitter.com/RladiesSF>

Website: <http://www.r-ladies.com/>

All events are intended for all women who are interested in attending. We are emphatically queer and trans friendly.
